Nepal is the country of the Mount Everest, the highest mountain peak in the world, and the Birthplace of Gautama Buddha- Lumbini. Mountaineering and other types of adventure tourism and ecotourism are important attractions for visitors.

Nepal is an enchanting kingdom, nestled in the Himalayas between China and India. For a small territory, the country boasts an uncommonly diverse terrain, including eight of the world's top 10 highest mountains. Nepali folklore is often illustrated in dance and music and the people are open to sharing their traditions. Although tourism is steadily increasing, Nepal's remote location has kept the culture widely unaffected from outside influences.
